Bringing the Internet to your home is easy and affordable

Now you can connect to the Internet at home - for school, work, communicating with others and so much more.

How to qualify

To qualify for \$9.95 a month Internet service and a low-cost computer, your household must meet all these criteria:

1. Be located where Comcast offers Internet service
2. Have at least one child eligible to participate in the National School Lunch Program
3. Have not subscribed to Comcast Internet service within the last 90 days
4. Not have an overdue Comcast bill or unreturned equipment

How to apply

1. [Apply online](#) or call **1-855-8-INTERNET** (1-855-846-8376) to request an application.
2. We will mail or email you an application. Complete and return it, along with supporting eligibility documents, such as proof of enrollment in NSLP from your child's school.
3. We will notify you by mail about the status of your application after 7-10 days and send you everything you need to get set up.
